## Summary

I am seeking a position to leverage my skills and abilities in the information technology industry, aiming for professional growth while being resourceful, innovative, and flexible. I am particularly interested in an entry-level position.

## Education

<b>Nri Institute of Information Science and Technology</b>	<b>May 2020 - July 2024</b>
Artificial Intelligence and data Science	B.Tech
8.31	
<b>Central Academy Hr. Sec.School Shahdol</b>	<b>July 2019 - March 2020</b>
Physics, Chemistry and Mathematics	High school 10+2
61.4	

## Projects

<b>Text Converter</b>	<b>January 2023 - March 2023</b>
<a href="#">Link</a>	
A React-based utility for word/character counting, case conversion, and space manipulation. Streamlines text tasks, enhances readability and provides quick insights. User-friendly interface.	

<b>E-learning Platform</b>	<b>June 2022 - May 2022</b>
I designed and developed a high-performing website dedicated to the study of both new and classic books. The project involved seamlessly integrating data from various competitive exams, front-end services, and databases. Emphasis was placed on creating a responsive and user-friendly interface to enhance the overall user experience, ensuring easy navigation and accessibility
